TESTIMONIALS

ADRIEL TANG THIEN ERN
★★★★★

"My experience throughout Foundation in Computing was amazing! The guidance and support provided by my lecturers were invaluable as they were very committed in ensuring we understood the lessons well. Equally unforgettable are the friends I have gained as many of them are not only hardworking but they are a great source of inspiration for me to do better. The Foundation in Computing program has undeniably equipped me with a solid foundation of skills and knowledge. This I believe will be very important for my degree programme."

"Choosing the Foundation in Science programme at TAR UMT was perhaps the best decision I have ever made. Not only was the foundation programme interesting but my study experience was enriched by my dedicated lecturers and a great campus community of coursemates and friends in a campus surrounding full of life and vibrancy. As an aspiring scientist, the hands-on learning experiences and supportive peers were beneficial to my academic and personal development. What I have gained in my foundation studies will definitely be useful in my degree programme at TAR UMT."

"I never expected that just within a year of my foundation studies at TAR UMT, I will gain and learn so much. I count myself fortunate to have gained good friends who share the same passion for science and learn under the guidance of knowledgeable and friendly lecturers. The campus itself is always bustling with activities, granting me an opportunity to develop essential soft skills such as communication, leadership, and teamwork. I will forever cherish the memories I have made, the knowledge I have gained, and the friends I have made here."
